#### Product Details

**Fabric**  
190T polyester, moisture resistant fabric, suitable for camping.

**Contrasting orange webbing**  
Preventing zipper being snagged by plowing fabric away from zipper.

**Comfortable Lining**  
Brushed Tricot lining for a soft sleeping surface.

#### Lightweight and Portable

This cold weather queen sleeping bag offers good heat retention without excess weight, making it a great choice for outdoor camping and hiking.

#### Versatile Double Style

The double sleeping bag provides enough space for two people at a time. It can also be used as a quilt or be turned into two separate sleeping bags.

#### Hollow Insulation

Featuring hollow polyester insulation that offers good heat retention without excess weight, a 100% polyester cover, and a soft, brushed tricot liner.

#### For Low Temps

Effectively retains body heat for use at temperatures as low as 40 degrees F.
